This is the way I plant the seed,

Plant the seed, plant the seed,

This is the way I plant the seed,

So early in the morning.

(Children make a digging and patting motion with their hands)

This is the way I watch it grow,

Watch it grow, watch it grow,

This is the way I watch it grow,

So early in the morning.

(Children use their fingers to make "binoculars" and look at their "plant")

This is the way I cut the wheat,

Cut the wheat, cut the wheat,

This is the way I cut the wheat,

So early in the morning.

(Children use their hands as scissors to "cut" a stalk of wheat)

This is the way I go to the mill,

Go to the mill, go to the mill,

This is the way I go to the mill,

So early in the morning.

(Children walk in place)

This is the way I make the dough,

Make the dough, make the dough,

This is the way I make the dough,

So early in the morning.

(Children make a pretend "ball" with both hands)

This is the way I eat my bread,

Eat my bread, eat my bread,

This is the way I eat my bread,

So early in the morning.

(Children pretend to "eat" the bread)
